Re: *Docket to Determine the Compliance of BellSouth  
Telecommunications, Inc.'s Operations Support Systems with State  
and Federal Regulations*  
Docket No. 01-00362

Dear Mr. Waddell:

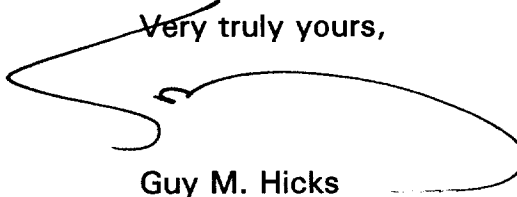

Enclosed please find additional PricewaterhouseCoopers ("PwC") documents responsive to AT&T's Request for Production of Documents to PwC. Because PwC is not a party to this proceeding and does not have local counsel in Tennessee, BellSouth is filing these documents as a courtesy to PwC, the Authority and AT&T. These documents are all proprietary and should be treated as such pursuant to the PwC/AT&T protective agreement, the BellSouth/AT&T protective agreement, and the Authority's Protective Order in effect in this case.

Please note that the only other responsive documents in PwC's possession are the actual local service requests that PwC received in the course of its analysis. Because the LSRs contain CLEC-proprietary information, these documents have been withheld from production.
